

ManagetoLead©

Two Day Workshop

This highly successful **2 DAY** program is targeted at individuals who have recently been appointed to a Management or a Leadership role within a Community Service Organisation.

Purpose:

To provide an overview and insight into effective management and leadership within a community service organisation.

Workshop Overview:

Defining the concept of leadership and recognising different styles

Principles of management and supervision

Discuss the differences between a leader, manager and supervisor

Identifying leadership strengths and areas for further development

Developing transition skills from worker to supervisor

Understanding performance management

Facilitator Mark Riches

Dip.Y.W., B.A., Grad. Dip.Ed. & Training
(Organisational Change), M.Ed
