Managing Difference Differently ©

Level Consulting Services

presents this **BRAND NEW 2 DAY** workshop.

Managing Difference Differently is designed for individuals who have a desire to think 'out side the box' when leading and managing others, develop solutions and set new standards in achieving goals!

Our highly experienced Facilitator, Mr. Mark Riches, will encourage participants to explore NEW mind sets, learn to lead and manage others more effectively and how embracing differences can open up avenues of success.

Workshop Overview:

- ⇒ Identify leadership strengths and recognising different styles
- ⇒ Understanding, managing and utilising differences
- ⇒ MBTI® Interpretive report for organisations (To be completed pre-workshop)
- ⇒ Exploring the art of critical reflection
- ⇒ How to build a learning workplace culture
- ⇒ Principles of constructive feedback
- ⇒ Develop a leadership action plan
- ⇒ Understanding performance management
