

NEW WORKSHOP

In response to organisations having limited time and resources, we are pleased to introduce

THE FACILITATOR.®

Target Group:

This workshop will help individuals develop facilitation skills to enhance group performance.

Purpose:

To introduce the principles of facilitation

Workshop Overview:

- Defining the principles of facilitation & recognising different styles
- Exploring different scenarios and how to 'read the group'
- Developing facilitation skills
- How to facilitate different types of meetings
- Discuss the differences between directing, managing, leading and facilitating
- Identifying facilitation strengths and areas for further development
